

Fencing New Zealand

(New Zealand Fencing Incorporated)

Club / Event _____

Date _____

AREA OF CONCERN	EXPLANATION	COMPLIED WITH (ENTER YES)	Clubs to describe adopted procedures, equivalent to:
Fitness / Health	Unwell people must be excluded from venue along with anyone awaiting Covid-19 test or test result.		<i>Direct communication with membership, signage at the venue, direct questioning attendees.</i>
Maximum Attendance	100 (or less depending on safety and social distancing of 2 metres when possible (not a requirement on field of play)) – this includes participants, spectators, coaches and officials		<i>Max number at the venue is “ENTER HERE”</i>
Contact tracing	A record of attendance with sufficient personal identifiers is required for each Club activity session.		<i>Completion of contact tracing form in accordance with Sport NZ spreadsheet approved APP or other Form with equivalent information.</i>
Hygiene	Unrestricted access to hand washing/sanitising on entry, exit and during activity.		<i>Hand basin, soap and paper towels readily available. Hand sanitiser at entrance and exit.</i>
Transmission	No sharing of equipment especially masks, gloves and clothing.		<i>Announcement made at every session - nobody touches other fencers' equipment. Loan equipment is uniquely identifiable.</i>
Sanitation	Loaned equipment is sanitised/washed after use by a fencer. Common use hard equipment and surfaces should be sanitised after each session e.g. spools, remotes, toilets, kitchen benches and door handles.		<i>Loaned equipment is washed after use or sprayed with alcohol/bleach solution. Surfaces cleaned and disinfected</i>
Physical distancing	2m separation between non-participants is desirable. Fencers and coaches should try for distancing of 2m when off piste.		<i>Chairs placed at 2m interval sufficient for participant numbers.</i>
